

Join Springer Nature Live Webinar STEP-BY-STEP GUIDE ON HOW TO PREPARE A SUCCESSFUL PAPER - SOUTH AFRICA

Date and time: April 6th 2022, 11.00 am

Presenter: Nathalie Jacobs - Executive Editor at Springer Nature

Writing for peer-reviewed publication is an important part of the career of researchers and scientists. However, research students and early-career scientists often face difficulties in publishing their research papers. We planned a workshop that is dedicated to guide you into how to write your paper the best way possible.
